

## Desktop Layout View

## Mobile Layout View

The screenshot shows a user interface for managing student data. At the top, there are four filter panels:

- Section:** Includes checkboxes for A (unchecked), B (checked), and C (unchecked).
- Subject:** A dropdown set to "All".
- Class:** A dropdown set to "1", with an option "12" below it.
- Term:** A dropdown with three items: "Term 1", "Term 2", and "Term 3".

Below the filters is a large rectangular box containing the text "472K" in a large font, followed by "Total Score" in a smaller font. The background of the interface features a grid pattern.

At the bottom left, there are icons for a computer monitor, a printer, and navigation arrows. Next to these icons is the text "Page 1".
